HOW TO CONNECT WITH KW AGENTS USING THE KELLE QR CODE

1. Log in to Kelle.

2. Tap the Menu, button at the bottom right of the home screen, and tap your name to go to your profile.
3. From your profile, choose either **Scan QR** or **Share QR**

- If you choose **Scan QR**, your camera will appear within Kelle. Align the camera with the other agent's QR code and Kelle will capture it. This will add the other agent to your connections list.

- If you choose **Share QR**, your QR code will appear. This will allow another agent to scan your QR code and add you to their connections list.
4. To see the agents whose QR codes you have scanned, tap **Connections** at the top of either screen. You will see each agent’s name (tap to view their profile), the date you connected, and the points will show you how many agents they have connected with (one point per connection).

5. Once you scan an agent’s QR code, they may be added to your KWCCommand contact list.
WHAT IS FAMILY REUNION?
Keller Williams Family Reunion is the real estate industry’s most powerful training event.

At Family Reunion, Keller Williams associates gather with thousands of top agents and leaders for four power-packed days of networking and training. This is your opportunity to reenergize and take your business to the next level, learn from the best in the business, attend powerful sessions, and immerse yourself in KW culture.

How Family Reunion Came About
When Mo Anderson became CEO of Keller Williams, she set out to fashion the company’s annual convention. Her goal was to create a fun event that delivered superb education, while inspiring a passionate drive within the hearts of our associates to grow their businesses. She developed the model for a revamped event that she called Family Reunion. The concept: to reunite our people annually, as a family; to provide world-class education that increases productivity and profitability; to grow our company’s unique culture at Inspirational Morning; to energize and inspire all who attend so they leave on fire for Keller Williams. An event that began with only 300 attendees now attracts a sold-out audience of nearly 20,000 people from around the world. Keller Williams’ Family Reunion has become the real estate industry’s premiere event.

What are breakouts?
Breakouts are one-hour-and-fifteen-minute sessions where a smaller group of attendees discuss specific subjects during the event. At Family Reunion, you can choose from hundreds of sessions and build the agenda to best help you in your business. Topics range from lead generation and open houses to recruiting, investing, and expansion! This is the opportunity to tailor your Family Reunion experience to get the best value for you!

What are General Sessions?
General Sessions at Family Reunion give attendees a chance to listen in and learn together.

What is Inspirational Morning?
Conclude your Family Reunion experience with this heartwarming session in which Mo Anderson and her special guests share stories of strength, perseverance, and inspiration. Inspirational Morning is the most powerful display of Keller Williams culture and how it affects people around the world. Together, our associates share in this moving and uplifting presentation before returning home to their families and businesses.
WHAT IS NEW FOR 2019?
This year, we’re excited to announce the following agenda changes that serve to provide even more value to your business:

- Gary will be opening the show
- There’s a technology-specific breakout available during every session
- Increased security - you must check yourself in, no more group check ins or checking in others.

RED BASH
Join Keller Williams associates for the biggest party of the year. Break out your best costumes and enjoy a night of music, dancing, and fun! This will be a celebration you don’t want to miss.
